

Dear Parents,

**FOR CLASS-III**

"The bigger the challenges, the bigger the opportunity for growth." Believe it or not, but it's true. The school has been on a lockdown mode for the last 5 months and yet it has operated seamlessly in the "New Normal" era. The advent of e-learning platforms has made the transition from physical to digital possible and helped us deal with the formidable challenge of the pandemic pre-emptively.

Here's a glance at the historic events organized, festivals celebrated and outstanding achievements in this period.
