Dated : 19-9-17

Dear Parents,

### CLASS X

I am confident that you must be familiar with the change in system of Evaluation for class X students. This year onwards they will appear for Board Examination with full year syllabus. The key to success in these exams is hard work, sincere preparation, focused approach, time management, regularity and attentiveness in class.

I request you to ensure that your ward does not show any laxity and makes the optimal use of time available before Board Exams.

All changes introduced by CBSE in curriculum, teaching methodologies and evaluation pattern are conveyed to you through school website. However, I would appreciate if you personally visit the CBSE site (cbse.nic.in) and the School Website to keep yourself updated about these changes and have thorough understanding of them.

Keeping in view the commitment to education, the school carves and designs methods to enhance subject understanding & performance of students so that they gain knowledge and perform well in exams. In this regard

- a. Special need based classes are being held for students daily in zero period for different subjects. Special timetable has been framed for the same. Kindly ensure that your ward is regular to school. Strict action will be taken against absentees.
- b. Also ensure that your ward remains present on Saturdays which functions from 8.00 a.m. to 2 p.m.
- c. All teachers are available till 2.20 p.m. on all working days. Students can take benefit of this time and get their problems solved by their subject/concerned teachers. Students can stay back in the school till 2.20 p.m.
- d. CBSE class X Board result will be declared in May. But the session for class XI will commence from April itself. **Allotment of streams will be based on the basis of Pre Board Result of Theory marks.** Kindly ensure that your ward works hard to secure good marks in Pre-Board Exams which will enable her/him to take the stream of choice in class XI.
- e. The following criteria will be strictly followed in the course of admission in class XI.
